

Cryptanthus Garden

Thank you for your purchase of the Cryptanthus Garden. Commonly called Earth Stars, these easy-care plants in the bromeliad family make a colorful living centerpiece for your home.

Cryptanthus Garden Components:

- 1-metal planter with PVC liner
- 1-Logee's soil
- 1-Cryptanthus 'Pink Starlight'
- 1-Cryptanthus 'Ruby'
- 1-Cryptanthus 'Black Mystic'

To assemble the Garden:

Make sure the PVC liner is inside the metal planter. Add soil filling to an inch below the pot's rim. Remove each cryptanthus from the pot it was shipped in. Plant the Cryptanthus in a triangular pattern placing the 'Black Mystic' at the top, 'Ruby' to the far right and 'Pink Starlight' to the far left. Cover with soil only to the crown of the plant. Firm the soil and water. Keep the soil slightly moist. Grow in bright, indirect light.

Enjoy your colorful Cryptanthus Garden!
